## Quality Policy

JMS is a Saudi based company providing unmatched quality service through a powerful synergy of its dedicated, professional personnel, modern and efficient techniques \ equipment and aproven Quality Management System.

Thus, we at JMS, ensure long term reliability, environmental responsibility and value to our clients. JMS is committed to quality by:

- Maintaining and continuously improving the quality of service to our clients.
- Exemplifying the quality of our service by the pride and dedication of each JMS personnel.
- Promoting continuous improvement within the Company as part of our dynamic Quality Management System.
- Providing cofidence and reliability to our clients through the fulfilment of ISO 9001-2015 and ISM Code requirements.

# Environmental Policy

JMS is dedicated in our continuous efforts to improve the compatability of our operations in consonance with the environment. We, at JMS, recognize the importance of meeting society's needs and our responsibility as a Marine Service Company to operate in an environmentally friendly manner while protecting the health and safety of our personnel and public.

JMS is committed to Environmental Protection by:

- Operating in safe and environmentally responsible manner.
- Making safety, health, and environmental considerations a priority in our planning.
- Reducing overall emissions into the environment.
- The ultimate responsibility for prevention of pollution rests with the highest levels of management. It is also the responsibility of every individual in JMS to safeguard against polluting the environment.
- Providing confidence and reliability to our clients through the fulfilment of ISO 14001-2015 and ISM Code requirements.

# Safety Policy

JMS places the safety and health of its personnel both ashore and on board ships as its topmost priority. It is the responsibility of the management to provide a safe work place for its personnel, with the realization that each of us is responsible for his/her own safety, both on and off the job.

Safety does not happen automatically. It must be caused by vigilant attention of ALL HANDS to safety precautions developed over years of maritime experience, passed through training programs, common sense and polices / procedures of the company.

JMS's Safety Policy is designed to prevent personal injury, loss of life and to protect the physical assets of our company, those of our clients and shore side facilities.

JMS is committed to safety by:

- Accidents and injuries are preventable
- A job is not done well unless it is done safely
- Working safely is a condition of employment
- Preventing personal injuries is good business
- Providing confidence and reliability to our clients through the fulfilment of ISO 45001-2018 and ISM Code requirements.

# Vessel Chartering Services
